one year from said date.

At a meeting of the above board of directors, held the same day, John W. Swindells was elected president of said company, John G. Walker, vice presi-dent, J. L. Leonard, treasurer, and W. C. Holland, secretary.

THE DALLAS DAILY and WEEKLY
HERALD and job office, together with
the business and material thereto belonging, were then purchased by said company, and W. C. Holland, having been elected as business manager, was instructed to take charge of the same from and after the first day of June,

D. 1875. M. Swink, J. L. Leonard and W. G. M. Swink, J. L. Leonard and J. Clark were appointed by the president as a finance committee, G. M. Swink being chairman of the same.

Dallas, Texas, June 1, 1875.

ht sents the following touching picture of The chronic summer duliness is upon

that poors. After noting about five miles towards the Mantman county tion they out a messager, who has farmed them that Asbury Kartens, the primater rescued on the truta Thursday, May 20th, from the deputy sherill, Herrin, and two of like resoners, had been captured, and the sheriff of Ellis county had concluded to wait until nightfull before taking further action

with the prisoner.
The Loys, having ridden land, were VOL. XXII. NO. 38 ready for a rest, and having halted, disounted, unsaddled their flery steeds, formed them out to graze, and patiently waited the arrival of the sheriff with his prisoners. Some tried to .. -op, others studied the history of the four kings, while the old veterans whiled the hours away with tales of hairbreadth escapes in the "limminent

deadly breach."
One of the boys having carefully surveyed the ground, and taken in the situation, remarked, "I'm not afraid. I've been in tighter places than this before," which remark was In about two hours the sheriff arrived

with a posse of fifty or sixty citizens in

charge of the prisoners, and the

Lamars immediately saddled up

and retraced their steps to Palmer. Here, after some consultation, it was determined to take Fortson to Dallas as rapidly as possible, to prevent another rescue, and the boys turned General Bragg to be Present at the their faces homeward with their prisoners, every man on the alert, not taking each bush to be an officer, but with ears and eyes wide open. Forour leading citizens, the Dallas Blood-Stock association yesterday appointed cue Fortson and his companion, as the route selected by the pilot of the E.Coombes and W.C. Connor as a com-General W. L. Cabell, F. G. Bower, Z. unfrequented he could find, to mittee to visit Galveston and invite officers of the law took place yesterday the above distinguished gentleman to say nothing of mud holes. While they norning between 8 and 9 o'clock at be present and deliver an address at the were passing a narrow path on the Palmer, a station ou the Texas Central | inaugural meeting of the Dallas Blood | edge of a steep declivity overlooking a entangled in the bushes along the nar-It has long been the desire of General row path-way, and losing his footing Bragg, who was one of the most betumbled, headlong, and disappeared in the "willows beneath." His rider at the command familiar to all that branch of the service-"Cavalry, fall off and grab a root?" dexterously leaped off, and by a literal obedience to orders escaped a muddy grave. After a little delay, the untamed steed was fished out nothing the worse for his gymnastics, save a cont of mud, and the funeral procession moved on. Their prisoner was firmly tied to his horse, and a stout dragoon rode on each side, with one hand on the ropes. He was inclined to be communicative, and tion whatever, select such two from spoke of the crime with which he was charged rather lightly. He is a man well built, gray bearded, and about 22 years of age, and while he speaks of himself freely, would say nothing that would implicate his friends, When he was transferred to the Lamars, under Deputy Sheriff Scott, he

mobbed, and looked upon the Dallas delegation rather suspiciously. Gentlemen:-Your communication The party finally reached Dallas of this date, tendering your resignations as deputy sheriffs of Dallas county, has just been handed me. Believe me about half-past nine Sunday, eight of the Lamars having been detailed to remain at Palmer by special request of Sheriff King. They were employed Sunday night in guarding the town of I would most gladly avert were it in more of the birds who boarded the under guard of three of the boys, the for their efforts to rid that county of quick and sudden that it was some marked every act and deed of your the outlaws which infest a portion of it, official career, shall ever remain a and The Herald urges them to

seemed to have some fears of being

boys, let me again assure you of my high regard, and, in conclusion, assert that Dallas county can not provide a more capable and efficient corps of distributions and cover themselves with somewhat disappointed, but they may other time, and cover themselves with well-earned laurels.

We haven't seen any of the Lamars you may embark, believe me, you will carry with you the best wishes of your playing leap-frog since their return, ties. The fact is they are a little tender footed about such amusements for the present, but they will turn out when wanted again, like "Little Breeches," THE LAMAR RIFLES "peart, chipper and sassy," and always

> THE present outlook for food crops is exceedingly encouraging. It is well for all our planters to remember that a large area of wheat in the north and west has been destroyed by the late frosts, and that the grasshoppers are now laying waste the corn fields in now laying waste the corn fields in Missouri, Kansas, and other western states. Too much attention can not be given to corn, wheat and oats, for it is more than probable that the south will
